Mondrella Process Systems, LLC

Packaging and Inspection Equipment and Controls Line Card

- **ASE Inc.** www.automationse.com **Auger Filling Machines**, Servo and Clutch Brake Models, Precision Cog Drive Belt, Heavy Duty construction, Quick Change-over Augers, Ease Maintenance, Programmable controls

- **BFM FITTING-SIFTEX EQUIP. CO.** www.siftex.com **Snap-In Flexible Spout Connectors**, Leak-Proof, Dust Tight, Tool-Less, 4" to 26" Dia., USDA Dairy 3-A Approved, **SIFTEX** Flexible Spouts, Sleeves, Tubes, Connectors, Covers, Filter Bags & Cartridges available in PTFE, PE, PP, PU, Silicone, Kevlar.

- **Change Over Integration** www.changeoverintegration.com **New and Used Filling & Packaging Equipment**, Labeler's, induction sealers, cappers, indexers unscramblers, conveyors, carton packers, case erectors, sealers, palletizers, wrappers, storage Integrated engineered packaging line design, layout, storage and turn-key installations, Change-Over and replacement parts for all brand custom made to order.

- **Cordano Packaging & Engineers**..... www.cordanopackaging.com **Technipes Open Mouth and Valve Packer Bagging Equipment and Systems**, Net & Gross Weighers, Semi or Fully Automated Baggers, Horizontal & Vertical Form Fill Seal Machines, Bag Placers, Sealers, Coding & Marking, Process Scales, Bag Palletizers; Robotic, High & Low Level Machines, Stretch Wrappers, Big Bag 'IFBC' Bulk Bag Filling Stations.

- **Eastern Instruments, Inc.**..... www.easterninstruments.com **"CentriFill" & "CentriWeigh" Filling** and Weighing Mass Flow Measurement Meter for Dry Solids Packaging & Process applications, New High Speed Diverter for single or multi-line High accuracy filling applications

- **Flexicon Certified Bus Partner** www.mondrellaprocess.com **Flexible Screw Conveyors**, Tubular Drag Conveyors, Pneumatic Conveyors Bulk Bag Unloaders, Bulk Bag Conditions, Bulk Bag Filling Stations, Manual Bag Dump Stations & Compactors, Drum & Box Dumpers, Weigh Batching Systems, Complete PLC Controls Systems
Call MPS (616) 450-5080

- **General Packaging Equip. Co.**..... www.generalpackaging.com **Vertical Form/Fill/Seal Automated Packaging Machines**, Solids & Liquid Filling by Weight & Volumetric Means. Auger Fillers, Net Weight Scales, Vacuum Sealers

- **HIMEC Conveyors** www.himec-conveyors.com **Food & Non-Food Grade Conveyors**, USDA Sanitary CIP for dairy, meat, poultry, seafood, **Vert-A-Con vertical lift belt conveyors**, **Spiral-Con Spiral Conveyors**, **Cooling Conveyors**, Packaging & Case Handling Conveyors, Sanitary Process, Deck & Stair

- **Inline Filling Systems**..... www.fillers.com **Liquid Filling Machines over 700 Designs** for Food, Beverage, Chemical, Cosmetic, Personal Care, Pharmaceutical, Industrial Solvents & Fluids, Pump, Servo, Piston, Net Weight and Gravity Fillers, Drum & Tote Fillers, Bottle Handling Systems, Capping Machines, Labeling & coding Systems, Conveyors & Pack-off Turntables

Packaging and Inspection Equipment and Controls Line Card

- **InspX Inspection Peco Control** **Detection and X-ray inspection**, conveyor/top-bottom-side systems, pumped pipeline.
www.peco-inspx.com **Vision detection systems**; fill level monitoring, seal inspection/leak detection, non-contact dud-detection
- **Magnetic Products Inc. (MPI)****Magnetic Separation Products**; Rare Earth & Ceramic, bar, grate, plate, chute, drawer, drum, pneumatic, conveyor. **Metal Detectors**, conveyor, gravity free-fall, pumped pipeline
www.mpimagnet.com
- **Newcastle Company, Inc.** **Case, Carton, Container, Drum and Bag Handling Equipment**: Palletizers & De-palletizers, Pallet Dispensers & Stackers, Load Transfer Systems, Slip Sheet Dispensers. **Scissor Lifts, Tilters, Turntables**, Conveyors for Pallet, Case, Drum & Bag
www.newcastleco.com
- **PPM Technologies, Inc.**..... **Hi-speed Optical Sorters**, Drum Coaters & Tumblers, Seasoning Depositor & Feeders
www.ppmtech.com Bucket Lift Conveyors, Belt & Vibratory Conveyors & Feeders, Net Weight Scales, Single to Multi-Head for Filling Systems
- **Sesotec Inc.** **Detection and Inspection Systems**. Metal Detectors; belt, free-fall, pneumatic, pumped pipeline.
www.sesotec.com **Raycon X-Ray**; Packaged, Bulk Flow & Pumped Pipeline, Combo X-ray & Checkweigher. **Weycon Checkweighers**, High Speed, single & multi-lane, Combo Checkweigher & Metal Detector **OPTICAL Vision Sorting**, bulk flow conveyor, gravity chute, food, grains, glass, plastics, etc.
- **Syntron Link-Tech Material Handling..** **Vibratory Feeders**, Drives, Screw Conveyors and Screeners. Flow assist Bin Vibrators & Packers, Link-Tech Screw Conveyors, Bucket Elevators & Idler Rollers
www.syntronmh.com
- **Tridyne Process Systems**..... **Filling Machines & Systems for Dry Powder & Bulk Solids**: Net Weight Single to Multi-head Fillers Weigh Counting, Scales, Vertical Fill Form Seal and Pre-Made Pack Machines, Sealers, Labelers, Printers, Complete Semi and Fully Automated Filling Line Systems and Sealers
www.tridyne.com
- **UniTech Industries, Inc.** **"UniMove" Pneumatic Air Vacuum Lift Manipulator Gripper Systems**, Lift Attachments for Bags, Boxes, Drums, Sheets, Vertical and Lateral Movement
www.unimove.com
- **WAM USA INC.**..... **Screw Conveyors**, Vertical Screw Lifts, Feeders, **Dust Collectors, Valves & Gates; Butterfly, Slide, Pinch, Spherical, Rotary Airlock**, Bulk Bag fillers/unloaders & Bag Break Station and Empty Bag Compactors, Level Controls, Bin Dischargers, **Load Spouts & truck & rail car OLI-WAM VIBRATORS**: Over 200 Electric & Pneumatic Vibrator Models
www.waminc.com
- **MPS can provide Custom Design Work, Fabrication and Installation of any single piece of equipment or as a complete system.**
